**Fall 2017 Prevention Science Colloquium Schedule**

The Prevention Science Colloquium series takes place on the following Fridays from 9-10am in Pullman, Vancouver, and Spokane (with one exception – see below*). AMS Dial-up is 5705207.

- SPRK 233 (the new digital classroom building) in Pullman
- VMCB 205 in Vancouver
- SPBS 204 in Spokane

We look forward to seeing all Prevention Science faculty and graduate students for some stimulating discussion!

Please contact Brittany Cooper if you have any questions.
