MINOR IN HUMAN DEVELOPMENT

Students must achieve a cumulative GPA of **2.50** or better in courses used to fulfill requirements for the Human Development minor.

Students who major in Human Development are **NOT** eligible to also minor in Human Development. Human Development majors may, however, minor in the Program in Aging.

Have you certified your major yet?
Have you completed 60 semester hours yet?

You must have answered yes to both of these questions before you can certify your minor.
