The student petitioning for a change of advisor should complete this form and submit it to the current advisor for approval and signature. Upon approval by the current advisor, the student should take this form to the proposed advisor for approval and signature. Once the student has the approval and signatures of both the current and proposed advisors, this form should be taken to the Human Development Office, 501 Johnson Tower. The petition will be logged and entered into the system, at which point the student will have successfully changed advisors.
